ARC CLUB HOMERTON 2020

ARC Club Homerton

Occupying the 2500sqft ground floor of a residential block, ARC Club combines stark Scandinavian design and an adaptable space to create the perfect blank canvas for shoots, meetings and events.

Since opening in Summer 2020, ARC Club's warm minimalist interior has featured in design publications such as Dezeen, Frame, House & Garden UK and Elle Decoration. While its 'neighbourhood workplace' model has won praise from the likes of the Financial Times, Courier and Stylist.

"I really like all of it. It looks great and has a really nice atmosphere. The staff are brilliant. I look forward to coming again!"

ARC Club Member

ARC Club Homerton

Design

Services are exposed and floors are polished poured concrete, while ply, fabric and mindful use of colour bring warmth to the space. Small playful flourishes and thoughtfully-selected pieces provide just the right amount of character. Floor to ceiling windows let in plenty of natural light. Curated artwork. Some plants.

Flexibility

Various spaces and rooms available with capacities ranging from x8 - x100. Available for dry hire, catered or serviced bar options. During the day and for late-night events. Different seating and lighting options for different needs and moods.

Functionality

AC, WiFi, Bluetooth sound system, pull-down electrical sockets, member perks and onsite refreshments from local and independent suppliers. ARC Club have excellent contacts in the area for equipment hire, catering and additional furniture.

Professionalism

Hospitality-trained team. Half-Day and Day Delegate Packages available from £15pp.

Accessibility

Ground-floor space in the heart of vibrant East London, just one minute from Homerton Station.

About Covid

Read how we're operating safely here. Contact us to discuss how we can create a physically distant plan that works for you.

Just one minute from Homerton station...

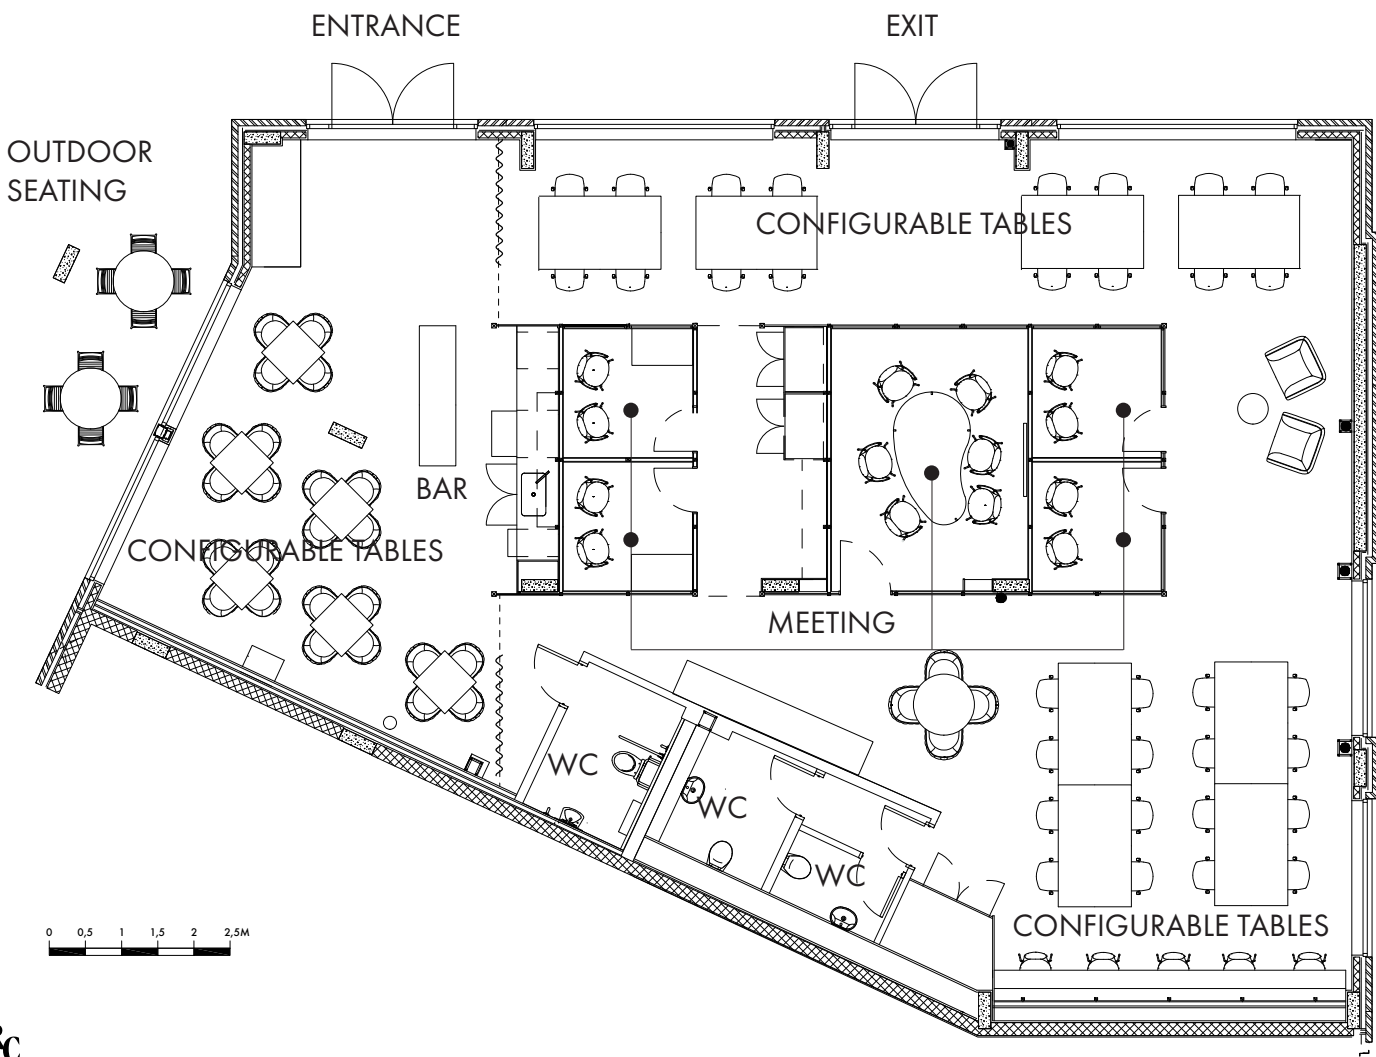

Access to Stratford in the east, Dalston, Highbury & Islington and Hampstead in the west. Excellent bus links. Easy walking distance of Chatsworth Rd, Mare St and Well St.
